

PLEASE DESCRIBE YOUR MARRIAGE FOR US, INCLUDING STRENGTHS, WEAKNESSES, AND PAST HISTORY.

Today's families face many challenges and at 2=1 we are training skilled coaches to help marriages and families succeed. Because we believe you could be one of those coaches, we are willing to invest into your lives and marriage. We ask that you take this commitment seriously. Upon completion of training and certification, we expect you to work with us as 2=1 coaches for at least one year.

Teaching and follow-up will require one block of 2.5 hours per week for your class and another 1 to 2 hours with your Coaches in Training (either in person or by video conferencing). Will you be able to spend that amount of time? \_\_\_\_\_

Because of 2=1's foundational stand regarding marriage covenant, it is important that a couple that has been married more than once and desire to be coaches 1) understand and agree with our stand that both the divorce and the remarriage are sin, 2) have repented, and 3) that their testimony lines up with scripture.

This applies to this couple. We have discussed this with them and believe they are firm on all three points.
